

WILD KIDZ VIDZ ACTIVITY SHEET

ROCKPOOLS

* Xavier and his family were exploring rockpools and collecting food for their creatures at their zoo. What food were they looking for?

* I wonder which animals eat that. Did you find out?

* What gear did the boys need to go exploring in the water?

* What was Xavier's SAFETY advice for water activities?

* What did they find along the beach?

* What were some of the creatures they found in the rockpools and stuck on the rocks?

* Did you like Mad's "ear rings"? _____ Do you remember the name of the seaweed?

* Wow! Who knew? Seaweed is used in

(We all knew about sushi rolls, didn't we?)

* Where do we find "flotsam and Jetsam", and what is it? Any examples?

* What sea creatures did you see in Xavier's sea tanks at his zoo?

* Did you hear the word "ECHINODERM"? What's special about them? Do you remember some examples?

* If I was a sea star I could have up to _____ arms, and if I lost one, I could
_____ WOW!

* Of course if I was an octopus I would have _____ arms called _____
and go hunting at night for CRUSTACEANS like _____ to eat.

* Do you remember another MOLLUSC in Xavier's tank? _____

* MR SEAHORSE!! He's the slowest fish. What else is amazing about him?

* Luca used a very technical piece of equipment to feed the Port Jackson Shark (good idea). What was it? _____

*OOOOW, look, space for drawing!!! Which was your favourite?
